Testimonials

“We've been sourcing rubber sheets and EVA soles from them for years. Their consistent quality and reliability make them a trusted partner in our footwear production. Their experience in the industry truly shows.”

Mr. Yash Chandra

"Their range of soling materials is unmatched. The innovative designs and durability of their EVA and TPR soles have helped us meet our customers' expectations. A fantastic team to work with!"

Mr. Asim

"With decades of experience, they bring a deep understanding of our needs and exceeded my expectations. From cork footbeds to rubber components, their products are always top-notch, and their service is exceptional.

Mr. Shashwat Kaul
